Per montare la madia, appoggia il basamento al pavimento e colloca la cassa sopra, allineandola.  
To assemble the sideboard, place the base on floor and align the case on it.

2

Fissa la base attraverso le apposite asole, utilizzando le viti in dotazione.  
Una volta montata, è possibile aggiustare l'allineamento grazie a base e ante registrabili.  
Fix the base through the specific holes by using the supplied screws. Once assembled, it is still possible to improve the alignment by adjusting the registrable base and doors.
