

# BOTERA POUF

by e-ggs

Botera è nata per stare comodi, ovunque. Per sfruttare meglio i volumi della poltrona in tutte le situazioni, l'abbiamo fatta diventare un'intera famiglia di imbottiti modulari, amplificandone le possibilità di seduta.

Per distendersi, appisolarsi, alzare le gambe, la seduta paffuta che accomuna i moduli si dilata e si restringe, diventando prima un divano, poi un pouf e infine una poltroncina.

Botera is all about comfort, anytime, anywhere. In order to better harness the volumes of the armchair in all situations, we transformed it into a whole family of modular upholstered components, thus multiplying its seating possibilities. To relax, nod off or just put your feet up, all modules share a squishy seat in different lengths, forming a sofa, a pouf or an armchair.
