

DIPLOPIA

by Skrivo

DiplopiA affronta il tema del “doppio” e dello “sdoppiamento”. La ripetizione della seduta, dello schienale e delle gambe, accostate all’uso del poliuretano espanso, ne fanno una poltrona strutturalmente forte e visivamente disinvolta che non soffoca in nessun tipo di ambiente.

DiplopiA addresses the theme of the ‘double’ and the ‘splitting’. The repetition of the seat, the back, and the legs, combined with the use of polyurethane foam, makes it a structurally strong and visually casual chair that does not suffocate in any type of environment.

DIMENSIONI | DIMENSIONS
