

PORCINO

by Miniforms Lab

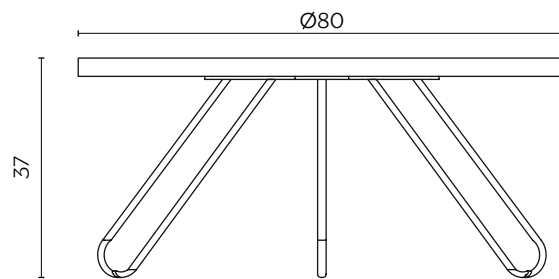

Ogni Porcino è unico; il piano è ottenuto con un tranciato tagliato trasversalmente che rende ogni pezzo irripetibile per dimensioni e venature. È un tavolino eclettico che affianca poltrone, divani e letti, evocando i sapori del bosco.

Every Porcino is unique; the top is made from a horizontal slice of wood, which makes every piece unrepeatable in terms of size and grain. This eclectic coffee table can be matched with armchairs, sofas and beds, evoking a forest-like atmosphere.
