

NEBULA POUF

by e-ggs

Nebula nella versione lounge celebra la tecnica ma a bassa voce, per non apparire troppo seriosa. Lo fa proponendo tre tipologie di basi differenti: una statica in tubolare e due dotate di sistema "Tilt" con colonna autoallineante e base in legno o alluminio, per garantire ordine e relax nel tuo quotidiano. Le gambe in alluminio sono replicate anche nel pratico pouf poggiapiedi.

The lounge version of Nebula celebrates technology but keeps it low-key, eliminating any suggestion of stuffiness. This is achieved through three different base options: a static tubular one, and two with a tilt and return mechanism and a base in wood or aluminium, making a neat and relaxing addition to your daily life. The aluminium legs are replicated on the practical footrest.
