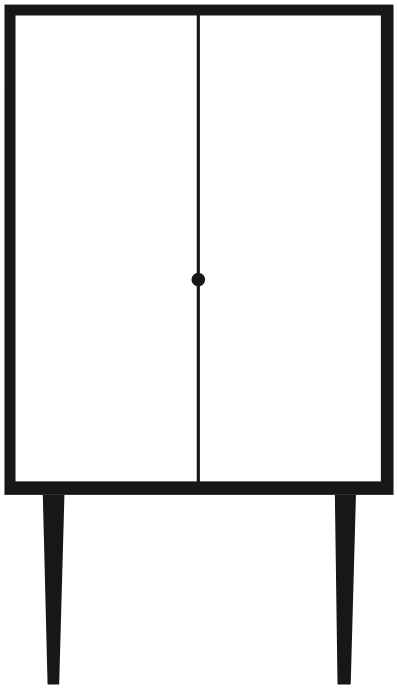
# JUNO

by e-ggs



Juno è un contenitore di storie. È il tentativo di risvegliare il lato romantico della casa, perso nella frenesia contemporanea. È la volontà di riportare in vita il concetto della vetrina, con gambe alte, forme squadrate e colori neutri. È la necessità di placare il senso di appartenenza verso il passato.

Juno is a container of stories. It is the attempt to reawaken the romantic side of the house, lost in the contemporary frenzy. It is the will to revive the concept of the glass cabinet, with tall legs, squared shapes, and neutral colours. It is the need to appease the sense of belonging to the past.
