

VALERIE

by Giopato&Coombes

Valerie vuole essere l'espressione dell'archetipo della seduta, sia per il materiale utilizzato che nella forma. Non vuole stupire, ma assolvere la sua funzione primaria: accogliere.

La composizione si sviluppa nella contrapposizione tra la struttura essenziale e la seduta realizzata in legno curvato. Due linguaggi destinati ciascuno ad assolvere una funzione specifica: il supporto e il comfort.

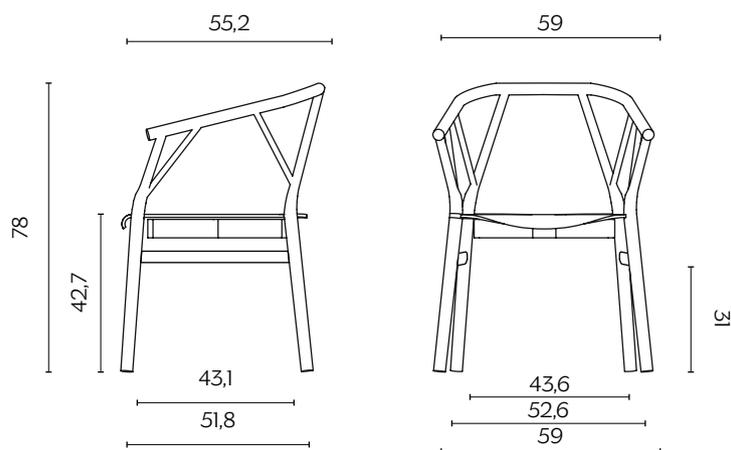

Valerie wants to be the expression of the archetype of the sitting, both in the material used and in the form.

It doesn't want to impress, but to fulfill its primary function: to welcome. The composition develops the contrast between the essential structure and the seat made of wood.

Two languages have a function for each specification: support and comfort.
